GENERAL ORDER NO. 22 (Continued)

The cost of providing the above initial items of uniform equipment to all newly appointed police personnel, shall be the responsibility of the Township.

UNIFORM REPLACEMENT POLICY

1. DAMAGED UNIFORM-EQUIPMENT

All articles of Uniforms which become damaged and unwearable as a result of an accident occurring while the officer is performing assigned police duty, shall be replaced at direct Township expense, following an inspection and approval by the Chief of Police, as may be needed or required during a given budget year.

2. SPECIAL EQUIPMENT

The following items of equipment, shall be replaceable at all times, at the direct expense of the Township, i.e.; Leather equipment, Badges, Name Plates, Collar Letters, Patches, Rain Coats and Boots, Revolver, Night Sticks, Flashlights, Hand Cuffs, Uniform Hip and Mackinaw Jackets. 12/11/85 add Body Armor

3. YEARLY UNIFORM REPLACEMENT-REIMBURSEMENT

Each Officer who is a full-time member of the Department as of March 1st annually, shall be entitled to participate in a uniform replacement-reimbursement program for worn out clothing items including long and short sleeve shirts, trousers, ties, caps, shoes and skirts.

The Township shall provide annually in its police budget an amount of money to be utilized for the continuance of this uniform replacement-reimbursement program. This budget amount shall be equal to the previous years budget allocation, plus five percent (5%), in any given year. The amount of the uniform reimbursement-replacement allocation per individual officer, will be announced by the Chief of Police following administrative/committee approval by March 1st. annually.

The Township will designate a specific uniform supplier annually, from whom all uniform replacements may be purchased, including the style, color and quality of the uniform. If not purchased from this supplier the officer must match the designated style uniform in both quality and color.

The general provisions of this policy will permit an Officer to purchase those articles of uniform which he or she knows are worn-out and in need of replacement, in the quantity that fits their own personal replacement needs, up to the amount budgeted under the replacement-reimbursement portion of the program.

GENERAL ORDER NO. 22 (Continued)

UNIFORM REPLACEMENT POLICY

Each officer will, as part of this policy, pay the uniform supplier for each article purchased by him/her and thereafter will be entitled to submit this paid receipt with a voucher to the Township for full reimbursement. Where the amount is over and above the announced yearly individual's allocation, said purchases will be solely the responsibility of the Officer.

4. SPECIAL OFFICER - CROSSING GUARD UNIFORMS

The same provisions of initial uniform supplies provided by the Township will be applicable to these appointed Officers.

Replacement of Uniforms and equipment for Special Officers and Crossing Guards, will be handled annually by the Chief of Police. Following inspection and after determining the needs of these Officers the Chief will request funds in his annual budget to provide for their replacement.

Where replacement is necessary because of damaged clothing or equipment, occurring in the line of duty, the provisions outlined in item 1. shall be applicable.

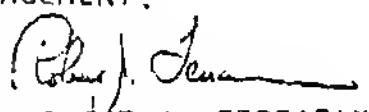

This order shall remain in effect until further notice.

BY ORDER OF:

Mathew J. Maloney
Chief of Police

REVISED DECEMBER 11, 1985 TO ADD THE ITEM OF BODY ARMOR TO INITIAL ISSUE AND SPECIAL EQUIPMENT REPLACEMENT.

ROBERT J. FERRARIN
CHIEF OF POLICE

• ADDENDUM TO SPECIAL ORDER NO. 22
• DECEMBER 12, 1985

BODY ARMOR REPLACEMENT PROCEDURE(S)

After a period of years, body armor, like any other product will wear, and the question is at what point should the armor be replaced.

Tests conducted by Du Pont, manufacturers of "Kevlar" arimid fibre, indicate that after five (5) years of HEAVY use, an 18% ballistic decay in the product is likely to occur and the armor should be replaced. Lighter use of the product could extend its life up to 10 years or more.

Consequently, each officer should periodically inspect his or her body armor for obvious signs of wear and if noted present the defective equipment to the Chief of Police or his designee for immediate replacement.

If the officer feels that the armor has overextended its usefulness between the 5 to 10 year period of life expectancy he or she may request it be replaced by notifying the Chief of Police or his designee no later than September 1st of the calendar year so this replacement can be allocated for the following budgetary year. Replacement will then be made as expeditiously as possible after January 1st of the next year.

Mr. Pellegrino,

Would there be any problem attaching these Memorandums to our contract in order to avoid having to retype the contract? We would like it understood that these will be part of the Superior Officers Contract. Could you please attach a memorandum stating so?

If this action is agreed to we would then finalize the Superior Officers Contract by signing.

SUBJECT: Clarification/Interpretation of Certain Contract Items - Superior Officers Contract

With reference to your request for clarification of certain contract provisions, please be advised of the following:

Article VII - Sick Leave (Section D(2))

It is understood that the benefit would be available to employees retiring with benefits under the provisions of the Public Employee Retirement System or the Police & Firemen's Retirement System.

Article IX Insurance Protection

It is understood that a prescription drug plan with a \$3.00 co-pay is part of the health care insurance program provided to employees under the contract.

It is also understood that retire employees may purchase medical insurance at their sole expense for the employee and all dependents.

Article XVIII, Uniform Equipment/Replacement

It is understood that the Superior Officers will be reimbursed for uniform replacements using a voucher system as in the past.

I trust this satisfies your concern with the above items.

For your information, I have attached the stipulations that were agreed to on behalf of the Association by Robert L. Benecke.

*Re: Hopewell Township, Mercer County -
Superior Officers Association*

Dear Mr. Benecke:

As we discussed on June 8, 1993, I believe we can resolve the contract negotiations between Hopewell Township and the Superior Officers Association on the following basis:

1. Salary increases of 6.5% in 1992, 6.0% in 1993, and 6.0% in 1994.
2. Payment of the clothing allowance without the necessity of a payment voucher. *No! 5gts use the voucher system!*
3. An increase in the terminal sick leave to \$10,000.
4. The Township will provide a minimum 45 day's notice of any change in medical insurance carrier.
5. The definition of family for purposes of bereavement leave shall include grandparents.
6. Vision care benefits will be reimbursed up to \$50 per family member and up to \$100 for the total family.
7. The clothing allowance would be \$375 in 1992, \$385 in 1993, and \$400 in 1994.

8. Personal days would be permitted to be taken "with no advance notice."
9. The Township will permit retired officers to purchase medical insurance upon retirement at the "group rate."
10. The language covering education incentive will include "law enforcement or criminal justice."

With reference to the demand of the Superior Officers that they be called first for special duty, the Township cannot agree to that. I believe that this is a matter which could be resolved with the Chief to make sure there is a fair allocation of special duty throughout the Department.

Lastly, the Township will not agree that sergeants would be called initially in the absence of another sergeant.

If the foregoing is acceptable, please advise so that I may commence preparation of the contract.

This offer is made without prejudice to the rights of Hopewell Township to amend any provisions of this offer absent an agreement on all terms.

Very truly yours,

DAVID J. KENNY
